

Utilizing Advanced Endodontic Techniques and Technology to Enhance Root Canal Success

1 Hour CDE Credit

Clinical Excellence Series 2023: Presented by Zufall Health and Delta Dental

MEET THE SPEAKER

Marc Gimbel, DMD, is a highly accomplished and esteemed figure in the dental community, renowned for his expertise in endodontics. He earned the prestigious title of Diplomate, American Board of Endodontology, in 2010, which reflects his exceptional skill and knowledge in the field. Currently serving as a clinical assistant professor at the Rutgers School of Dental Medicine, Gimbel imparts his wealth of experience to post-graduate students, shaping the future of endodontics through his teaching over the last 31 years. After earning a bachelor's degree in biology/chemistry from the State University of New York at Albany, he received his DMD from the University of Pennsylvania School of Dental Medicine and completed post-graduate education in the field of endodontics at the University of Medicine and Dentistry of New Jersey.

OVERVIEW

Discover the cutting-edge techniques and advanced technology that promise to enhance the success of root canal procedures in this comprehensive course. Delve into the complexities commonly encountered during root canal treatments and explore the latest advancements in endodontics. Gain insights into state-of-the-art tools like GentleWave technology, which provides consistent and predictable outcomes for challenging cases. This course equips dental professionals with the knowledge and skills needed to elevate their endodontic practice to new heights. Join us to stay at the forefront of endodontic innovations and deliver exceptional patient care.

Wednesday, September 27, 2023

6:00 - 7:00 PM EDT (one hour)

- 6:00 - 6:05: Introduction
- 6:05 - 7:00: Educational Content

Zoom Events (Registration required and space is limited)

Free; dental credits offered

Zufall Health is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zufall Health designates this activity for <1> continuing education credits.

ADA CERP® | Continuing Education Recognition Program

OBJECTIVES

At the conclusion of this program, participants will be able to:

1. Examine the challenges and complexities commonly encountered in root canal procedures.
2. Evaluate the principles and techniques of GentleWave technology in achieving consistent and predictable outcomes for root canal treatments.
3. Develop a comprehensive treatment strategy using GentleWave technology for challenging root canal cases.
